

## **Sitting Fees Policy– December 2019**

Sitting fees occur when an organisation wants the AGMC Inc to be a part of a forum, group, advisory board and therefore pays an 'attendance fee' for a representative of the AGMC Inc to attend meetings and discussions.

Sitting fees occur because of the reputation of the AGMC Inc itself and therefore are always monies to be received and kept by the AGMC Inc.

This doesn't exclude members from claiming reimbursement for expenses (food, travel, accommodation), subject to the Reimbursement policy.

This policy, as all others, is subject to yearly review and can be amended, updated and changed before being passed by voting by the management committee for that financial year.
